

Agape Letter

Dear _____,

From 8:00am on Friday, _____ until about 5:00pm on Sunday, _____, _____ will be a candidate attending a Chrysalis Weekend. Chrysalis weekends are times of intense study, worship, and fellowship with other Christians.

Although Chrysalis takes place in a group setting, the overall experience is indeed a very personal one, unique to each youth.

An important part of this experience is the time when each youth receives personal letters, notes, and cards that have been sent by thoughtful personal friends and family. I know how meaningful these letters were to me on my weekend, and I thought you would want to be a part of this meaningful experience.

The messages in the letters or notes express love and caring for the candidate and frequently reminisces about a shared experience or perhaps a humorous anecdote. The letters or notes will be personally given to the participant. WE KEEP THESE GESTURES OF FRIENDSHIP A SURPRISE, SO PLEASE DO NOT DISCUSS YOUR INVOLVEMENT IN THIS PART OF THE WEEKEND. No one other than the candidate will read the letters.

If you would like to write a letter or note, I can assure you that your efforts will help make the weekend more meaningful. Please write your letter, place it in a sealed envelope with the candidate's name, and then give or mail it to me prior to the weekend.

Thank you very much for sharing in this weekend. If you have any questions, please call me at _____.

Sincerely,

P.S. Please do not send a gift. Your personal words of love and affirmation are sufficient.
